

## **BLAZOL JET PLUS 20W50 (API SM)**

### ➤ **Description**

BLAZOL JET PLUS 20W50 (API SM) is multi grade engine oil that provides superior engine protection suitable for today's multi-valve and conventional engines. Incorporating the latest additive technology, designed for today's conditions, It provides optimum protection against sludge formation, higher temperatures and helps keep the engine clean and free of deposits under high speed high stress motoring conditions

### ➤ **Applications**

Recommended for use in all types of passenger cars and latest model high performance cars fitted with emission control devices, fuel injections, multi-valves, turbochargers or superchargers operating under the most extreme conditions.

Also suitable for engines requiring API SL, SJ, SH, SG or lower performance level..

### ➤ **Performance Standards**

- API SM

### ➤ **Product Features & Benefits**

- Excellent control on Engine wear and deposits.
- The high TBN effectively neutralizes the acids of combustion and prevents acid attack
- Guarantees good lubrication in normal service conditions.
- Increased oil drain interval due to good thermal resistance
- Retention of viscosity over wide temperature ranges.

## ➤ TECHNICAL SPECIFICATIONS : **JET PLUS 20W50 (API-SM)**

PROPERTIES	ASTM TEST METHOD	TYPICAL VALUES
Appearance	Visual	Clear & Bright
Kinematic Viscosity @ 100°C, cSt	D445	17.5-18.5
Viscosity Index	D2270	135
Kinematic Viscosity @ 40°C, cSt	D445	135-145
Flash Point, °C, min	D92	226
Pour Point OC, max	D97	(-) 24
TBN, mg. KOH/gm.	D2896	6-8

The above details are typical results of normal production and variations in these characteristics may occur. The information contained herein is subject to change without notification. All recommendations and suggestions are without guarantee and the manufacturers do not accept liability for any loss or damage, however arising, which results directly from the use of such information, nor do we offer any warranty.

## ➤ STORAGE

Store the products indoors and avoid direct sunlight or heat. Please keep the container in closed condition always.

## ➤ ENVIRONMENT, HEALTH AND SAFETY

- Do not dispose the used oil to soil, drains and water. Dispose the used oil through authorized collection point.
- This product is unlikely to present any safety & health hazard when properly used in the recommended application.
- Avoid contact with skin and eyes. After skin contact, wash with water and soap.
